

Mallorca

CHARITY CANNONBALL

for classics, modern classics and classic sports cars

Friday, September 1st 2023

A warm invitation to the first
Mallorca – Charity – Cannonball
 for classics, modern classics and classic sports cars

When was the last time that you fulfilled your heart's desire?

That you truly took your time to simply enjoy and do good by others at the same time? That you met new people and developed new friendships? Enjoying the beautiful things and helping others...

And all that packaged into an incredible experience in a classic, modern classic or classic sports car? When did you last immerse yourself in the beautiful landscapes Mallorca has to offer?

Fortune doesn't smile on everyone.

My name is Dr. Christian Wolf and my area of expertise is aesthetic surgery in Vienna, Salzburg, Munich and Palma de Mallorca.

In my line of work, I have dealings with people who appreciate the value of beauty. Together with you, I want to bring happiness into the lives of those, that have encountered many difficulties. There are people, children, who are suffering.

I owe my mentor Dr. Walther Jung with a great deal, among other things my training as a plastic surgeon. Due to our profound friendship, it is an affair of the heart for me to continue his appeal for donations for children with heart diseases. We aim to help, where help is needed most. In the Andes, one of the poorest regions on earth, children are twice as likely to be borne with a congenital heart defect.

Dr. Christian Wolf, MBA
drwolf@charitymallorca.com

For this reason, I invite you to the 1st HeartChildrenCharity-Cannonball in Mallorca on Friday, September 1st 2023

The event will take place in southwestern Mallorca. We will start at Port Adriano and drive to several locations along the route. Spectacular views and small Mallorcan sites with cultural heritage will enthrall you along the -until the start still secret- route.

We will create a wonderful day together, one that is well and truly devoted to the children.

We will organise a social programme for the young co-pilots-to-be, families and companions in Palma and Port Adriano.

With this race and the auction as part of the evening event we support two projects:

The “Heartchildren in Bolivia”

Children in La Paz are suffering and need our help. Doctors are dedicated to the task of looking after children and facilitating vital surgeries.

At an elevation of more than 3,200 metres above sea level, the risk of being borne with a congenital heart disease is doubled. Together we can support and give a future to these children. You can read more about this topic on www.herzkinder-bolivien.at

A children’s aid project in the Balearic Islands

Many single mothers and their children require help, especially in the winter months. Together we will support these mothers and their children in Mallorca. You can support our mission by participating in the race or by sponsoring charity auction items or vouchers.

Be a part of the HeartChildrenCharity-Cannonball in Mallorca, knowing that we can achieve great things together and establish this event for the years to come.

Schedule Friday, September 1st 2023

9.00 am Handing over of the participant materials and the roadbook, revealing the secret route

9.30 am Race start at Port Adriano in southwestern Mallorca

7.30 pm Evening event and award ceremony

After consulting the roadbook, each team will estimate the time it will take them to finish the route. Not the fastest team will win, but the team that deviates the least from their estimation.

The route will take us through the scenic beauty that is Mallorca, the island we love. All further information will be provided in the roadbook...

Registration & Information

www.charitymallorca.com

Social programme:

We will organise a guided city tour of Palma for the young co-pilots-to-be, families and companions.

Information on the family package are provided on our website.

www.charitymallorca.com

Sponsorship:

You support the charity-rally-mission with your sponsorship and advertising. Thanks to your generosity, we can establish this event for the years to come and continue to help in the future. We will gladly provide more information for you in person, just give us a call or write us an e-mail.

Sponsorship packages: logo placement on cars, beach flags at the start and finish as well as online and print advertising.

The auction will take place as part of the evening event. Here too, we will gladly receive your charity auction items for the sale at auction.
